Subject: Diplomatic status for the Head of Saudi High Commission Relief
Ref.: Our letter No: 01-508-179/96 from August 05, 1996.

With regards to your letter, date and time reference, once again we suggest that Head of European Office of Saudi High Commission Relief for Bosnia and Herzegovina, sheikh Nasir Al Said, be recognized diplomatic status in our country.

As we have emphasized in our previous letter, Saudi High Commission Relief for BiH was established by King's decree from 1992, in order to organize, collect and distribute material and humanitarian aid for BiH. Entire aid from Kingdom of Saudi Arabia intended for our country was distributed through this Commission mostly.

Taking into consideration that this is government organization, and bearing in mind aid that was forwarded so far and aid that we expect to receive in the future from this Commission, as well as the fact that reports that Head, Sheikh Nasir Al Said provides to the Government of its country, are considered with due attention, we propose once again that his diplomatic status be recognized, in order to facilitate his work and recognize the work of Saudi High Commission Relief for BiH.

Predmet: Diplomatski status za predsjednika Visokog saudijskog komiteta
Veza: Naš dopis broj: 01-308-179/96, od 05. 06. 1996. godine

Pozivom na naš dopis, broj i datum veze, ponovo predlažemo da se predsjedniku Ureda za Evropu Visokog saudijskog komiteta za pomoć Bosni i Hercegovini, šejhu Nasiru Al Saidu, prizna diplomatski status u našoj zemlji.

Kako smo u našem ranijem dopisu istakli, Visoki saudijski komitet za pomoć BiH je osnovan kraljevini ukazom 1992. godine, s ciljem da organizira, prikuplja i distribuira materijalnu i humanitarnu pomoć za BiH. Preko ovog Komiteta, do sada je, uglavnom, išla sva pomoć Kraljevine Saudijske Arabije za našu zemlju.

S obzirom da se radi o vladinoj organizaciji a imajući u vidu pomoć koja je do sada upućena i koju očekujemo u budućnosti od ovog Komiteta, kao i činjenicu da se izvještaji koje predsjednik, šejh Nasir Al Said, dostavlja Vladi svoje zemlje uzimaju veoma ozbiljno, još jednom predlažemo da mu se prizna diplomatski status, kako bi mu se na taj način olakšao rad a Visokom saudijskom komitetu za pomoć BiH odale priznanje.
